## INSTRUCTIONS

If you used Community Lottery Program (CLP) funds to distribute funding to community groups or individuals through an application-driven process, please use this form and include information on each of the organizations and projects or activities you funded over the last fiscal year. Please do not include personal information such as individuals names.

If you used CLP funds to **deliver programs/activities and/or purchase equipment**, please use the form entitled: "Past Year Reporting: Activities".

The table below provides an example to assist you with filling out the form.
