

The Yukon Lottery Commission provides funding assistance in support of Yukoners living healthy, active lives engaged in, and having access to arts, sport and recreation. Revenue from the sale of lottery tickets supports Lotteries Yukon funding programs and Yukon government arts, sport and recreation programs.

OBJECTIVES

The Projects Fund is intended to sustain and contribute to the growth of arts, sport and recreation in Yukon by:

- increasing access and participation of all Yukon people in arts, sport and recreation activities;
- supporting individuals in developing their skills/abilities in arts, sport and/or recreation;
- enhancing community arts, sport and recreation infrastructure; and
- increasing organizational and community capacity in arts, sport and recreation.

FUNDING STREAMS

The Projects Fund consists of four (4) funding streams: Regular Intake, Opportunity Projects, Three-Year Plan and Strategic Partnerships.

Three-Year Plan and Strategic Partnerships recipients are identified by the Yukon Lottery Commission.

Regular Intake and Opportunity Projects are application-driven:

Regular Intake: Organizations may submit one application at each intake.

- a. Small-Medium Projects – funding is available up to 90% of eligible project costs.
 - up to \$100,000 for equipment, minor construction and renovations; and
 - up to \$20,000 for festivals, events, productions and other projects.

Additional funds may be requested when projects bring arts, sport or recreation to Yukon rural communities and local community support is demonstrated.

- b. Large Projects – funding is available up to 80% of eligible project costs.

Applicants who wish to access funding for large projects must discuss their project idea with the Program/Policy Advisor or General Manager prior to application submission.

Priority will be given to projects that may benefit more than one non-profit.

Projects resulting in operating and maintenance costs after project completion must demonstrate financial viability.

Opportunity Projects: Organizations may submit one application per fiscal year.

Funding is available for projects that are low risk, simple to execute, small in dollar value and have not already been funded by Lotteries Yukon. Funding is available up to 100% of eligible project costs to a maximum of \$3,500. Total project costs cannot exceed \$7,500.
