

BACKGROUND

The Yukon Lottery Commission provides funding assistance in support of Yukoners living healthy, active lives engaged in and having access to arts, sport, and recreation.

The Commission allocates profits from the sale of lottery tickets towards arts, sport, and recreation in Yukon through funding programs and revenue sharing with the Yukon government. The financial support provided is intended to:

- Increasing access and participation of all Yukon people in arts, sport and recreation activities;
- Supporting individuals in developing their skills/abilities in arts, sport and/or recreation;
- Enhancing community arts, sport and recreation infrastructure; and
- Increasing organizational and community capacity in arts, sport and recreation.

In Yukon, there are fewer competition and adjudication opportunities due to our smaller population and limited infrastructure for some sports. The Travel Assistance Program acknowledges these barriers.

OBJECTIVES

The Travel Assistance Program assists Yukon people with travel expenses to compete and/or participate in adjudicated events within and outside of Yukon. The objective of the program is to support the development of amateur arts, sport and recreation by improving opportunities for participation in sport/recreation competition and arts adjudication/performance.

Eligible recipients include:

- The Sport Governing Body responsible for the sport;
- Non-profits where no Sport Governing Body exists;

With the exception of extra-curricular high school groups, eligible recipients must:

Adjudication is defined as peer review either by a panel or by an Artistic Director or an Adjudicator.
